To our friends in Christ,

Since January 1904, when our ministry began as Mountain Orphanage, care for children in need has depended on Christian charity. Although over time our name changed to Black Mountain Home, our mission of glorifying God by caring for children and families remains the same.

For over 100 years, churches from Western North Carolina and beyond have collected an annual offering for the children entrusted to our care. We are so grateful that this wonderful tradition continues today. This year, we hope that you will partner with us as we continue to answer God's call to care for children.

Your support will help us as we strive to meet the needs of the overwhelming number of children in the foster care system. In just the last decade, our ministry has had to turn away *more than 900 children* ages six and under due to the shortage of foster families. With your support, we can continue to expand our ministry to take care of more children, from newborns to college age and beyond.

Like our founders, we are grounded in Christ's call to care for orphans and like them, we continue to rely on God's provision for the ministry. You have our deepest gratitude for considering this offering request. Should you choose to bless our children with your support, we have enclosed suggested instructions, bulletin inserts, mission moment, and posters.

Please contact Sheryl Eller at (828) 686-3451 if you need more supplies or information or would like to have someone speak at your church. We look forward to hearing from you.

For our children,
Tom Campbell, President
